Subject: Declaration Filing for “Case”# 25CV124474 (Unlawful Detainer) for Immediate Docketing

Dear Clerk of the Court:

Enclosed is a Declaration for immediate filing into the docket for the above referenced matter.

This filing is made for the purpose of public record and formal notice. You are requested to enter these documents into the docket without delay.

This filing of this Declaration does **not** imply, confer, or concede jurisdiction, joinder, or authority to any party, forum, or construct whatsoever. All such presumptions are expressly denied. No statements herein shall be construed as consent to jurisdiction, participation in any contractual construct, or grant of authority to any party, individual, or forum whatsoever.

This Declaration is presented as a lawful record -- not a pleading, petition, application, or request for relief. Formatting conventions are offered in good faith for record entry and do not imply submission to jurisdiction.

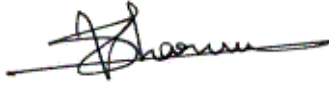

We have been informed by the Clerk’s Office that Declarations/Affidavits do not require any fees. If fees are requested, they shall be understood as purely ministerial, and will not operate as a waiver of rights, nor shall they constitute consent to jurisdiction.

If this filing is not docketed, we require the following in writing:

1. The specific legal or lawful reason for the refusal;
2. The specific lawful basis or statutory authority for non-acceptance; the exact statute, code section being cited as grounds for rejection;
3. The name, title, and signature of the individual responsible for this determination.

Your assistance in the proper docketing of this Declaration is appreciated.

Sincerely,

A handwritten signature in black ink, appearing to read 'Vishal Sharma', with a stylized, cursive script.

Without recourse, without prejudice

1. I, Dr. Vishal Sharma, declare as follows:

2. As the Steward and Creditor-in-Possession of the property at issue, I issue this Declaration and Public Notice to all involved parties and personnel managing and handling **Case# 25CV124474** within and under the authority of this forum. The declaration is made without prejudice, with full reservation of rights, and in my full personal and professional capacities.

3. This Notice is issued purely as a lawful and necessary act of self-protection and shall not be construed as consent to, participation in, or recognition of any jurisdiction by any forum whatsoever or any presumed “case” constructed against the undersigned in any forum whatsoever.

4. By neither relying on nor excluding any jurisdiction, or any statutory or procedural framework or forum this Declaration stands independently and lawfully, and retains its evidentiary and lawful force across all domains, wherever and whenever it is invoked by the Declarant/Affiant.

5. You are hereby notified that the **Public Notices page (www.metanoia-inc.com/public-notices) on the corporate website of Metanoia Innovations, Inc. (www.metanoia-inc.com) under the Public Notices tab contains real-time, dated documentation.**

This Public Notices page and all its contents that reference this matter (and/or any mirror copies of it, as announced on that page) are fully incorporated herein and deemed a part of this Declaration by reference, including, for instance:

- Ground truth from the Steward and Creditor-in-Possession of the property in question (5 video segments)

- Formal written legal and lawful notices to the Owner/Property Manager (**OWN-001 to OWN-012**) and their Counsel between January 2025 - May 2025, and their defaults and breaches
- Notices to this forum (**FRM-001 to FRM-002**), July 2025 - ongoing, and
- Notices to any entity, such as the Sheriff's Office, claiming any purported "enforcement" authority for "eviction" (**ENF-001 to ENF-003**), July 2025 - ongoing.

6. This incorporation extends to all future additions or updates relevant to this matter that are added to that page, and such updates will also be deemed to automatically be included herein without the need for further notice. This filing therefore incorporates the Public Notices page (www.metanoia-inc.com/public-notices), including all past, current, and future updates relevant to this matter, whether explicitly referenced herein or not. This incorporation applies **without limitation**, regardless of the format, naming convention, or method of update used on the Public Notices page (and/or any mirror copies of it), and shall be deemed to include any material substantially related to the issues addressed herein.

7. This Public Notices page is a Notice to this forum and any and all officials (for instance, clerks, presiding officers, court staff, or other personnel) involved in the purported "Unlawful Detainer" case, Case # 25CV124474, initiated unlawfully and illegally. It a Notice of the Public Record by the Steward and Creditor-in-Possession, Dr. Vishal Sharma, Principal & Secretary, Metanoia Innovations, Inc. and is served hereby to all parties, including this forum, as a binding record and material fact. It is time-stamped and updated in real-time.

- 1 8. All facts therein are accurate, un rebutted to date, and stand as legal and lawful record.
2 They are made publicly available to ensure full transparency for all parties and entities
3 involved, including this forum, and to ensure that unlawful and illegal judicial decisions
4 by this forum are not made without immediately investigating, evaluating, and
5 assessing the complete facts. Nor does it absolve this Forum and all involved from
6 immediately re-assessing any decisions, procedures, processes, rules, regulations,
7 statutes and so on that they have bypassed, overlooked (by happenstance or design),
8 ignored, or knowingly or unknowingly misapplied and/or misconstrued to effect a
9 miscarriage of the statutes, requirements, protocols, procedures, rules and more that
10 bind and govern the operation and conduct of this forum and all within it.
11
- 12 9. Note that this forum is operating presently, without any legal or lawful basis to even
13 contact the undersigned, let alone having any verified contract, any valid claim, or any
14 jurisdiction of any sort whatsoever that attaches (or can ever attach) to the undersigned.
15 The forum has already received prior Notice (**FRM-001**) of these facts via the Deputy
16 Clerk of the forum, July 10, 2025, 2:19PM over a 30-min discussion.
17
- 18 10. Should this forum continue to proceed without verifying and taking into account the
19 facts listed herein, any and all involved will become, ***jointly and severally***, both
20 ***professionally and personally***, liable for: abuse of process, for violation of your oath,
21 for trespass, and **the infliction of grievous and irreversible, unlawful, illegal, and**
22 **criminal harm**, including *deliberate disruption, destruction, and devastation of the*
23 *life, work, livelihood, and business operations of the undersigned, in both his personal*
24 *and professional capacities*.
25
- 26 11. This Notice is issued because the undersigned must preempt any misapplication of the
27 lawful principles and specific statutes that govern and bind your conduct and
28 operations, to trespass upon life, liberty, happiness, property, or estate.

1 12. It is your duty — and that of any who act under your seal — to confirm the lawfulness
2 and legitimacy of any matter before attempting to issue a “decision” based on
3 disqualified filings and by your acting without any basis whatsoever. The undersigned
4 notes that Clerks are ministerial officers not empowered to make legal determinations
5 or take legal decisions, least of all “default decisions” that require judicial
6 determinations but have had none. Any clerk making such a determination will be
7 acting beyond their assigned functions and authority and will be held fully liable per the
8 clauses above. Failure to do so will serve as unmistakable evidence of willful blindness
9 and conscious collusion in criminal conduct.
10

11 13. Additionally, any and all actions undertaken by the undersigned (in his personal and/or
12 professional capacity) and his company after your receipt of this Notice — to remedy
13 or respond to actions by this forum, by any member of the forum or by any personnel
14 of the forum — shall be billable at our then prevailing professional rates to all three,
15 jointly and severally: the forum (Superior Court of California, Alameda County, and
16 the Hayward Hall of Justice), all officials in their professional and personal capacities
17 (jointly and severally), and all staff members in their professional & personal capacities
18 (jointly and severally). These charges shall be non-contestable, as they would be the
19 direct result of conduct you had the clear opportunity and duty to prevent.
20

21
22 14. **I affirm that the facts stated herein are accurate and true to my best current**
23 **knowledge and to the direct experience, facts, and documentation currently**
24 **available to me.**

25 15. **Declared and issued by:**
